

New Sermon Series: Fear of the LORD

Today's sermon: *Fear is a Choice*

## Obedience or Performance?

Obedience is seeking God with your whole heart. Performance is having a quiet time because you'll feel guilty if you don't.

Obedience is finding ways to let the word of God dwell in you richly. Performance is quickly scanning a passage so you can check it off your Bible reading plan.

Obedience is inviting guests to your home for dinner. Performance is feeling anxious about whether every detail of the meal will be perfect.

Obedience is following God's prompting to start a small group, Bible study or relationship. Performance is reluctance to let anyone else lead the group because they might not do it as well as you would.

Obedience is doing your best. Performance is wanting to be the best.

Obedience is saying yes to whatever God asks of you. Performance is saying yes to whatever people ask of you.

Obedience is following the promptings of God's spirit. Performance is following a list of man-made requirements.

Obedience springs from a fear of God. Performance springs from a fear of failure.
