

Today's sermon: *Where is the Point?*

### **Some Thoughts about Getting the Best out of 2015**

We have a brand new set of months, weeks and days to enjoy and plan for. Today is our first fellowship meal, and we will also take time for a planning meeting, including viewing the financial report and discussing the budget. Please be thinking about ways to enhance our efforts to reach out into this community.

- Think of this church, Valley Cities Church of Christ; what does it need from each of us?
- Think of this community; what do they need from us?
- Think of our God; what does He need from us?

### **Ideas for Discussion:**

- Bible class
- Ladies class
- Vacation Bible School
- Bible campaign , such as door knocking, gospel meetings
- Bible class teaching seminar led by sisters from Prattville, Alabama
- Mail outs
- Regional singing (March has five Sundays.)

### **What are we missing?**

This is an opportunity to give your input.
