**At 1:00 PM Central Standard Time, Daily Broadcasts Will Begin from Madagascar**

**The Entire World Will Be Covered With the Gospel**

It is with excitement, humility and great anticipation that I announce to you the news that the new radio station in Madagascar is going on the air. This station will take the gospel to areas of the world where the gospel has not gone for hundreds of years. The **Alaska broadcasts** will now join with the **broadcasts from Madagascar** to blanket the former **Soviet Union, China, Australia, India, and the Middle East, Africa and South America** and literally the entire world.

Would you share this email with your church leaders and ask them on **March 27<sup>th</sup>** if they would have a special time of prayer and thanksgiving for the day that the entire world is covered with the gospel?

Twenty hours of programming go out each day from Alaska. **Ten hours of Mandarin Chinese, five hours of Russian and five hours of English are broadcast every day.** Every week **three Spanish radio stations** have covered the greater part of Cuba and Latin America over the last few years.

**From Madagascar, Arabic programs will cover the entire Middle East. English for Africa programs will have the gospel available for all of Africa. Spanish broadcasts will now cover all of South America every day with the gospel.**

**Would You Include In Your Prayers:**

1. Sufficient funds can be raised to purchase the diesel fuel needed to broadcast the gospel every day from Madagascar
2. Funds can be raised to add Portuguese and Korean speaking staff members to provide the gospel into countries like Brazil, North Korea and South Korea.

To God be the glory for this incredible opportunity to have the gospel available to more people each day than at any time in the history of the world. On **Global Sunday, October 30<sup>th</sup>**, we are asking churches of Christ all over the nation to help us with a special onetime contribution to have these two specific prayers answered. Be looking for a letter very soon from former presidents from five of our Christian Schools about this special effort to reach more people with the gospel. Contact me for additional information. I hope to hear from you. Rejoice with us today in humble prayer and thanksgiving. **Andy Baker, World Christian Broadcasting, Franklin, TN**
